- No need for compressed air
- No installation, no duct work required.
- Body is corrosion proof plastic.
- Easy to maintain
- Fully portable
- Can be attached to standard hosepipe/garden hose

Thunder

Parameters	Specification
Brand	Adhunik Powertech
Product Name	Thunder
Air Flow	19000 CMH
Dimensions in mm (LxWxH)	1404x660x1684
Fan	Axial
Fan Diameter	30 inches
Material	PP
Motor Power	550 watt
Pad Size	1155x1285x100
Pad Thickness	100 mm
Usage	Industrial/Commercial
Water Tank capacity	250 Ltr
Product Weight	61 Kg

3 blades with 30 inches fan

High quality wheels with MS material stand

5 year warranty on body

High Quality honeycomb pads

250 ltr water tank

Auto Drain

Zinc plated heavy grill

Thunder Mini

Parameters	Specification
Brand	Adhunik Powertech
Product Name	Thunder Mini
Air Flow	15000 CMH
Dimensions in mm (LxWxH)	1181x596x1587
Fan	Axial
Fan Diameter	24 inches
Material	PP
Motor Power	550 Watts
Pad Size	1075x1055x100
Pad Thickness	100 mm
Usage	Industrial/Commercial
Water Tank capacity	150 ltr
Product Weight	57.350 Kg

4 blades with 24 inches fan

High quality wheels with MS material stand

5 years warranty on body

High Quality Honeycomb Pads

150 ltr water tank

Auto Drain

Zinc plated heavy grill

Parameters	Specification
Brand	Adhunik Powertech
Product Name	Alaska
Air Flow	18000 CMH
Dimensions (LxWxH)	1143x609x1752
Fan	Axial
Fan Diameter	30 inches
Material	PP
Motor Power	550 watts
Pad Size	1175x1105x100
Pad Thickness	100 mm
Usage	Commercial
Water Tank capacity	150/90 Ltr
Weight	51.8 Kg

Alaska

3 blades with 30 inches fan
